Wayne Mitchem, NCSU/Clemson/UGA

<http://www.ent.uga.edu/fruit.htm>

Based on labels as seen on CDMS (<http://www.cdms.net/LabelsMsds/LMDefault.aspx>) and Greenbook (<http://www.greenbook.net/>) websites (last referenced 9/20/2007). UGA provides this compilation to minimize the risk of off-label pesticide use. Always refer to the actual product label, which is the definitive guide for safe, legal pesticide use.
